

GP Travel Enterprise Release 7.11

Presentation

October 8, 2019

Release 7.11

Dear clients and partners!

We are happy to announce **Release 7.11** of GP Travel Enterprise that introduces the integration with Adyen payment gateway, includes new features of the existing functionality, enhancements in available modules as well as overall capabilities of the system.

For scheduling the delivery dates please contact our support team.

Release 7.11: Highlights

NEW MODULES:

- ✓ ADYEN payment gateway

ENHANCEMENTS IN EXISTING MODULES:

- ✓ Inventory: free extra services
- ✓ Self-operated hotels: optional indication of check-in and check-out
- ✓ Back-Office:
 - ✓ Manual movement of reservations to the archive
 - ✓ Payment information saved to the reservation
 - ✓ Search and book of Family Fares (Amadeus)
 - ✓ Search for “Only refundable” and “Only with baggage” offers (Amadeus)
 - ✓ Seat reservation and special meal requests and KTN (Amadeus)
 - ✓ Usage of corporate codes for direct and B2C sales via Amadeus (Special agreements)

Release 7.11: Highlights

ENHANCEMENTS IN EXISTING MODULES:

- ✓ Enhancements in new interface for B2B and B2C:
 - ✓ Additional information on hotels' description (Hotelbeds)
 - ✓ Search of flights by airline(s)
 - ✓ Search and book of Family Fares (Amadeus)
 - ✓ Search for “Only refundable” and “Only with baggage” offers (Amadeus)
 - ✓ Seat reservation and special meal requests and KTN (Amadeus)
 - ✓ Changes in the separate reservation form
- ✓ API:
 - ✓ Search of Family Fares (Amadeus)
 - ✓ Search of flights by airline(s)
 - ✓ New parameters in the request of GET /orders and GET /ordersB2C
 - ✓ New parameters in the response of GET /invoices
 - ✓ Changes in the request of GET /paymentOptions
 - ✓ New method GET /paymentByLoyaltyPoints (for module “Loyalty”)

1. NEW MODULES

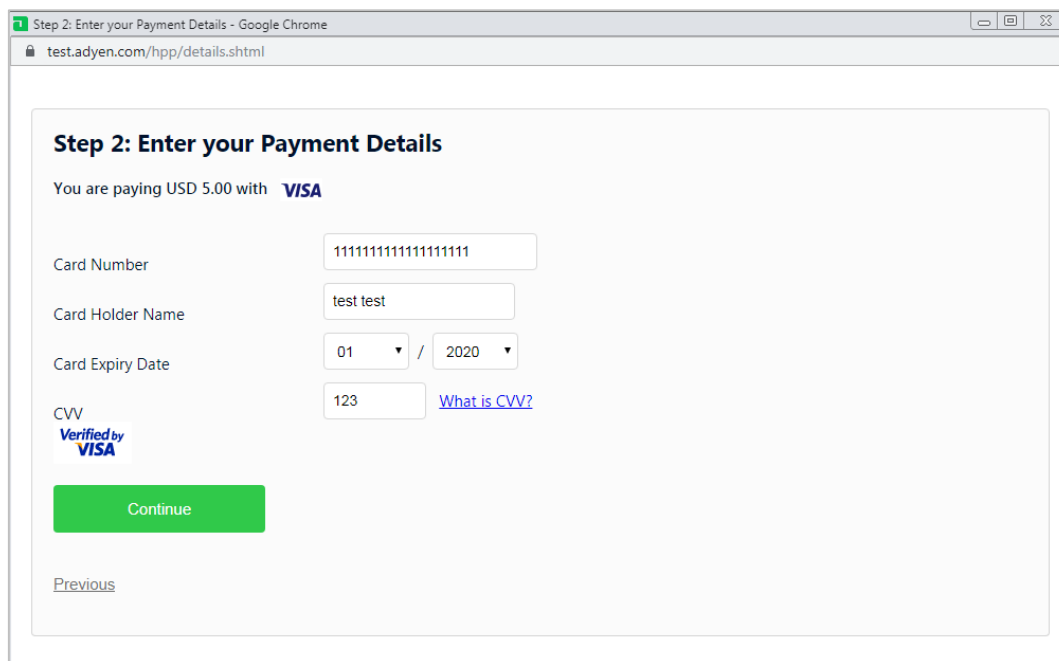

ADYEN PAYMENT GATEWAY

Adyen is a e-service, which allows to make payments for online purchases and services. The payment gateway is available in GP Travel Enterprise system starting with Release 7.11.

Adyen provides payment processing services for many companies (Uber, Spotify, Facebook, etc.), and is known for their all-in-one solution and international reach with more than 20 offices around the world.

More information can be found at <https://www.adyen.com/>

Step 2: Enter your Payment Details - Google Chrome

- ☐ Minimal possible cancellation fee

Base currency for conversion: EUR

Note: in order to connect this module, please contact GP technical support.

2. ENHANCEMENTS IN EXISTING MODULES

INVENTORY: FREE EXTRA SERVICES

Release 7.11 provides the opportunity to add free extra services for self-operated products by implementing the possibility to indicate the price equal to zero. It can be used in case of providing some free services by suppliers like Baby seat for Car Rent and so on.

Access:

✓ Price-lists of extra services of self-operated products

New price-list for Extra services

General information | Price-lists for Extra Services

Name	Category	Status	Price calculation	Availability	Include into cancellation charges	Include into mark-up and commission	Price
Parking	Other	Active	Per service, one-time	optional	<input checked="" type="checkbox"/> Yes	<input checked="" type="checkbox"/> Yes	0 % EUR

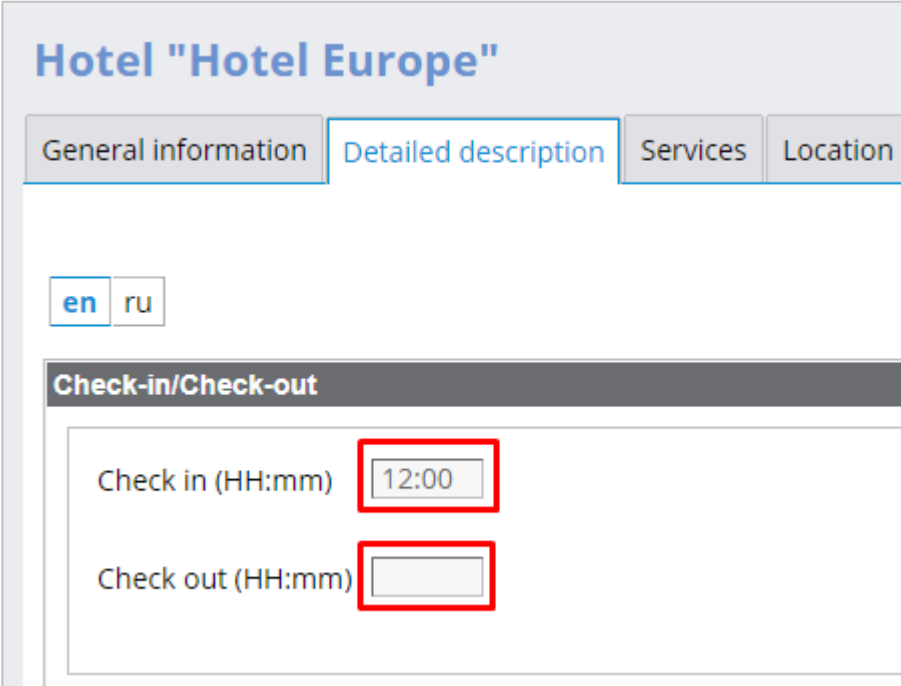

Save Cancel

SELF-OPERATED HOTELS: OPTIONAL INDICATION OF CHECK-IN AND CHECK-OUT

Indication of check-in and check-out time is no longer mandatory for self-operated hotels in case when this information can't be provided by a hotel or can be dynamically changed.

Access:

- ✓ “Check-in/check-out” tab in the detailed description of a self-operated hotel

The screenshot displays the 'Hotel "Hotel Europe"' interface. At the top, there are four tabs: 'General information', 'Detailed description', 'Services', and 'Location'. The 'Detailed description' tab is currently selected. Below the tabs, there are language selection buttons for 'en' and 'ru'. A section titled 'Check-in/Check-out' is highlighted with a dark header. Inside this section, there are two input fields: 'Check in (HH:mm)' with the value '12:00' and 'Check out (HH:mm)' which is empty. Both input fields are highlighted with red rectangular boxes.

B2B: MANUAL MOVEMENT OF RESERVATIONS TO THE ARCHIVE

The possibility to move any reservation to the archive has been realized for manual order management. After moving the booking to the archive, it is still possible to be restored.

Access:

- ✓ Separate reservation form

GENERAL DESCRIPTION

Newly refurbished in 2018 The Crown is located in the district of south-west London, situated on the lively Lavender Street in Battersea. Hostel beds are available in mixed dormitories. With free Wi-Fi, fresh linen, including a comforter and pillow, 24hr bar access, reception and security all included. As well as an extensive bus network nearby, which connects the area with much of south and central London, The Crown has three tube stations and two railway stations within easy walking distance. With an award-winning burger kitchen onsite, 24hour reception and bar, free Wi-Fi, security bed screens, individual power sockets and guest food and drink discounts, we offer a classic night in London where you get to experience the fun and lively atmosphere of our pub. We're not just your normal pub, we pride ourselves on working closely with our awesome suppliers to serve up the very best in beer, rum and gin, with a focus on London products. And as PubLover's ourselves, we pride ourselves on pub culture and want to make your experience a memorable one.
