

GP Travel Enterprise Release 8.11

Presentation

December 24, 2021

Dear clients and partners!

We are happy to announce Release 8.11 of GP Travel Enterprise that introduces new capabilities of new version of the website, enhancements in available modules as well as overall capabilities of the system. Additionally some changes in API were done.

For scheduling the delivery dates please contact our support team.

Enhancements

New capabilities of the Website:

- ✓ **New module:** CAR RENTAL
- ✓ **Hotels:** new UX/UI Design for multiroom
- ✓ **Search results page:** filter by price changes
- ✓ **Order:** name is changed to "Reservation" for all pages

Enhancements in Back-Office:

- ✓ **Own Hotels:**
 - upload prices from XLSX
 - manual sorting on the list of rooms and meal types
 - increased max possible days for setup daily rates
- ✓ **New functionality:** Package Calculator (based on reservation and Package Tours)
- ✓ **Private Clients:** download sample of file for upload
- ✓ **Transfers:** label "Railway station" and "Airport" in voucher and notifications

Enhancements

API changes:

- ✓ **PackageTours:**
 - new parameters "category" (Hotel category) and "mealType" (Type of meal) are added into the search request
 - parameter "dayNumber" for each service from tour is returned
 - parameter "departureCityId" is optional now
 - parameter "shortDescription" is added into the response
 - parameter "freeOnly" is added to the request of search
 - parameter "available" is added in the response of search results on the level of the whole tour (if all entries are available - then "available" = true; if at least one entry is not available (on request) - then "available" = false)

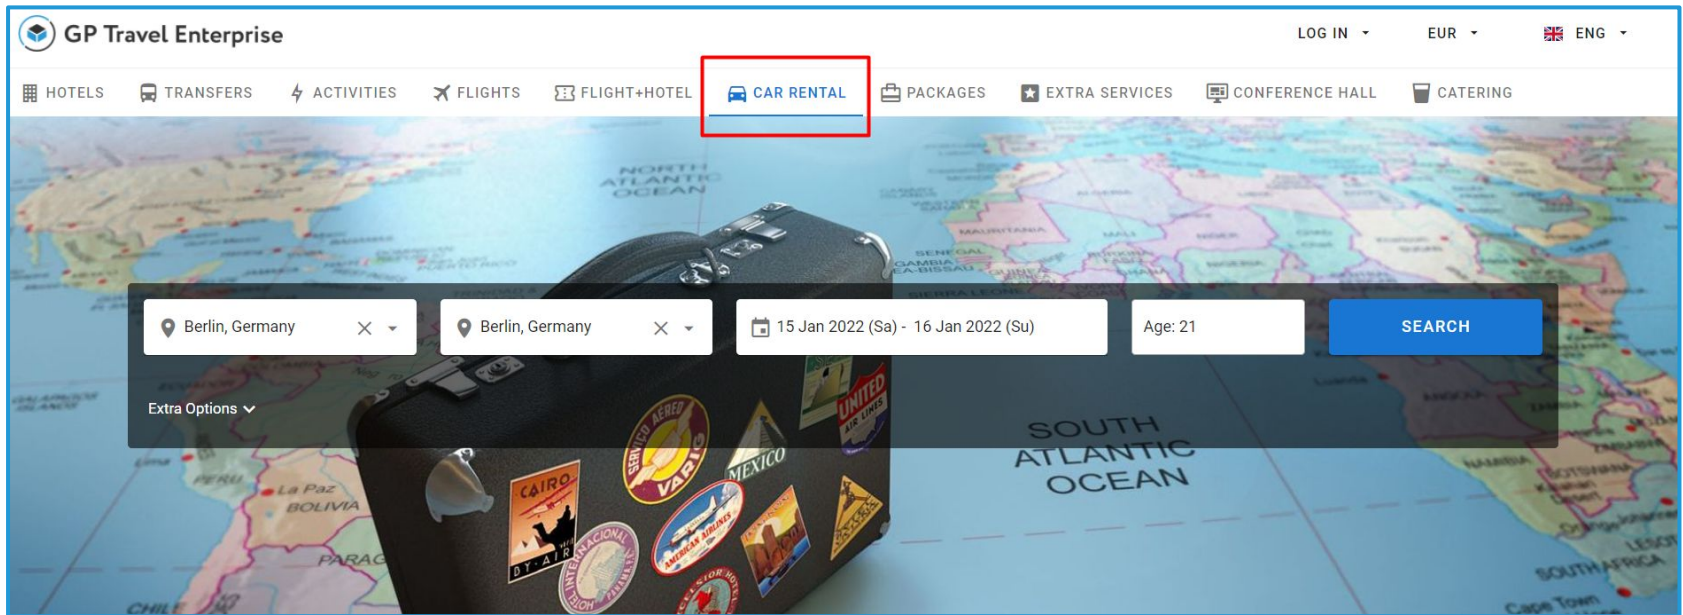

- ✓ **Orders:** "string" is changed to "array" for payment methods

Note: see the details on API changes here:

On the **search results page** the possibility to specify price in the filter “Price” is added.

The screenshot displays the search results page for London, United Kingdom. The sidebar on the left includes filters for location, dates (18 Jan 2022 (Tu) - 20 Jan 2022 (Th) (2 nights)), guests (2), and sorting options. The 'Price (low to high)' filter is highlighted with a red box. The main content area shows a list of hotels, with 'PUBLOVE AT THE WHITE FERRY VICTORIA HOSTEL' and 'Colliers' highlighted. The 'Colliers' hotel listing shows a price range from €154.26 to €200.00, with the €200.00 value highlighted by a red box. The right sidebar features a map of London with a blue circle indicating the search area.

"Order"/"Orders" have been renamed to "Reservation"/"Reservations" for all pages

The image displays four screenshots of the GP Travel Enterprise website, illustrating the transition from 'ORDERS' to 'RESERVATIONS'.

Top Left Screenshot: The 'ORDERS' menu item is highlighted in the top navigation bar. The main search area shows a destination dropdown, dates (18 Dec 2021 (Sa) - 24 Dec 2021 (Fr)), and a search button.

Top Right Screenshot: The 'RESERVATIONS' menu item is highlighted in the top navigation bar. The main search area shows a destination dropdown, dates (18 Dec 2021 (Sa) - 24 Dec 2021 (Fr)), a room selection dropdown (1 room 2 guests), and a search button.

Bottom Left Screenshot: The 'ORDERS' menu item is highlighted in the top navigation bar. The 'Home > Orders' breadcrumb is shown. The 'NEW ORDER' button is highlighted. The table below shows a single order with ID 8192.

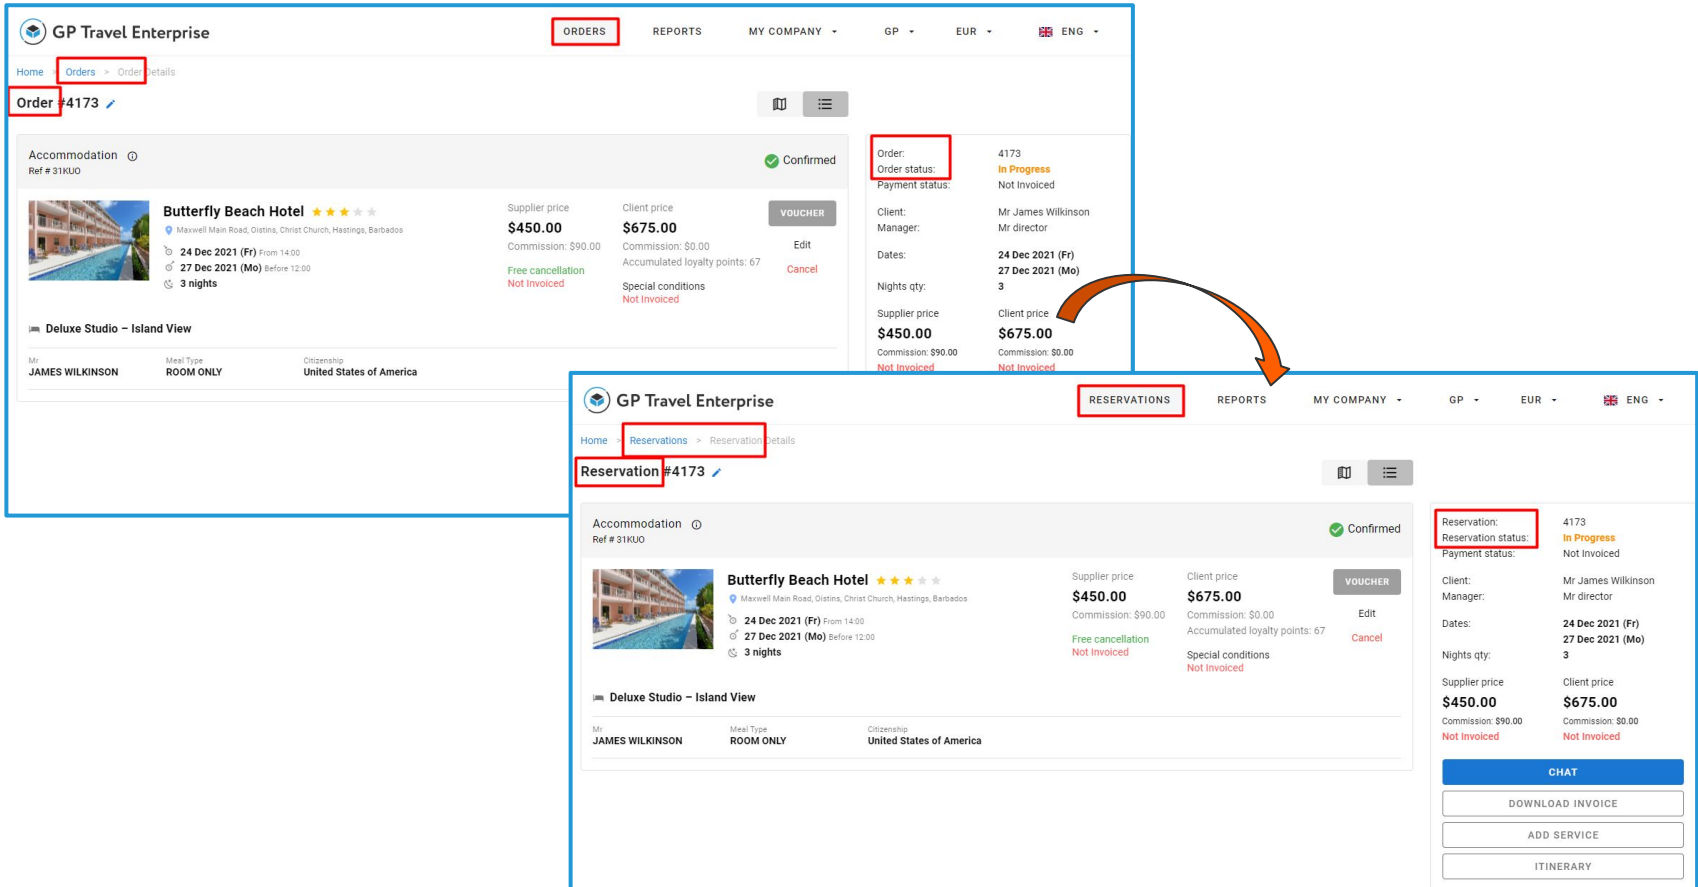

Bottom Right Screenshot: The 'RESERVATIONS' menu item is highlighted in the top navigation bar. The 'Home > Reservations' breadcrumb is shown. The 'NEW RESERVATION' button is highlighted. The table below shows a single reservation with ID 8192.

Arrows indicate the transition from the 'ORDERS' state to the 'RESERVATIONS' state.

2. Enhancements in Back-Office

Now it is possible to upload prices from XLSX for Own Hotels. This way can be applied to type of the price-list “pensionate, per room” only.

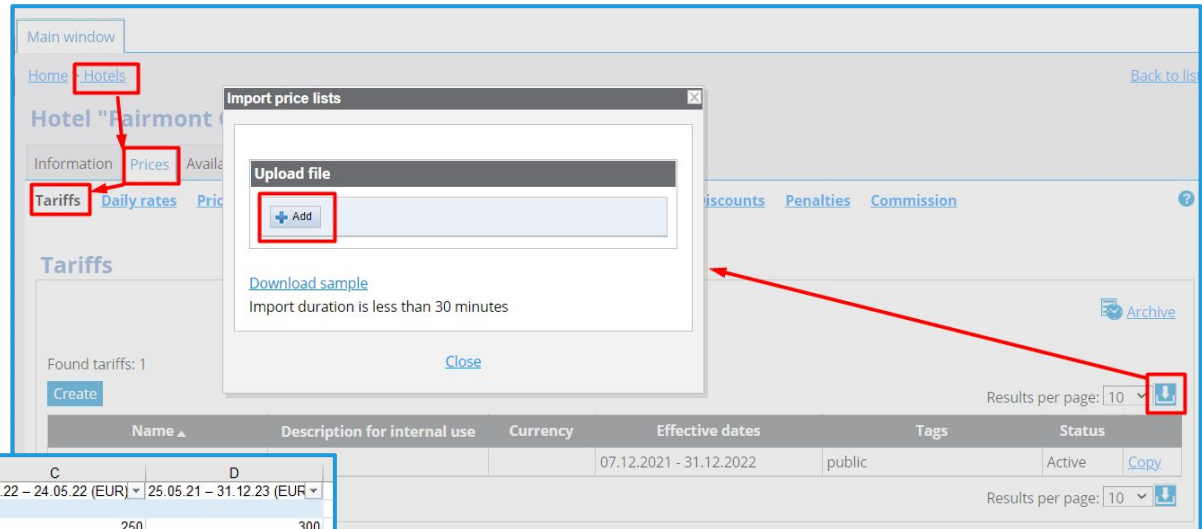

XLSX file must be consist of basic information:

- tariff name
- periods
- room types
- meal types

Sample

	A	B	C	D
1	Room Only	24.12.21 – 24.02.22 (EUR)	25.02.22 – 24.05.22 (EUR)	25.05.21 – 31.12.23 (EUR)

15	Apartment	500	500	550
16	Apartment + EXB	0	0	0
17	SGL Standard	170	220	270

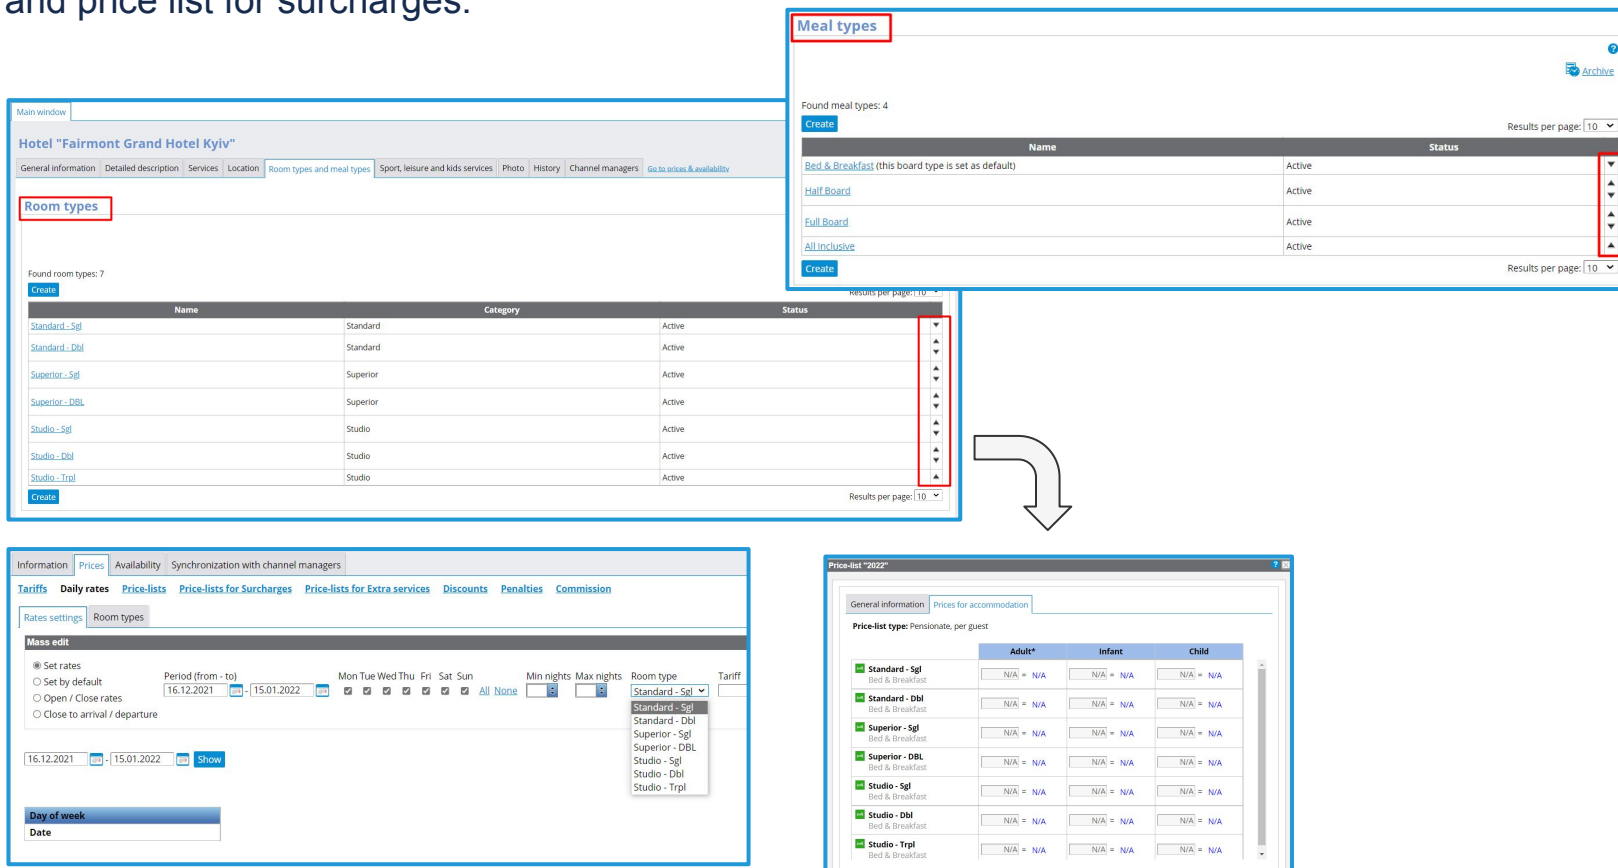

The screenshot shows the 'Import price lists' dialog box with the 'Upload file' section. The 'Add' button is highlighted with a red box. A red arrow points from the 'Add' button to the 'Tariffs' tab in the background. Another red arrow points from the 'Download sample' link to the 'Sample' text above the table.

Access:

Selfoperated products >> Hotels >> Prices >> Tariffs

For Own Hotels we added manual sorting on the list of rooms and meal types. It helps to work with Daily rates and Price-lists more comfortably. The same sorting is saved in the price list, daily rates and price list for surcharges.

The image displays three screenshots of a hotel management system interface. The top-left screenshot shows the 'Room types' list for 'Hotel "Fairmont Grand Hotel Kyiv"', with a red box highlighting the 'Room types' tab and a red box around the sorting arrows on the right side of the table. The top-right screenshot shows the 'Meal types' list, also with a red box highlighting the sorting arrows. The bottom-left screenshot shows the 'Mass edit' section for room types, with a dropdown menu for 'Room type' showing options like 'Standard - Sgl', 'Standard - Dbl', 'Superior - Sgl', 'Superior - DBL', 'Studio - Sgl', 'Studio - Dbl', and 'Studio - Trpl'. The bottom-right screenshot shows the 'Price-list "2022"' for 'Pensionate, per guest', with columns for 'Adult*', 'Infant', and 'Child' and rows for various room types.

Access:

Selfoperated products >> Hotels >> Hotel Contract >> Room types and meal types

Max number of days for daily rates was changed up to 730 instead of 720.

Now it is possible to add price for period of 2 years (up to 730 days) for daily rates of own hotels.
