The 'Update deposit for customer' button is highlighted. A modal dialog titled 'Update deposit' is open, showing a form to update the deposit for a company. The form includes a dropdown for 'Select the company to update the deposit for' (coprC), radio buttons for 'Place funds on the deposit' (selected) and 'Withdraw funds from the deposit', a date and time picker for 'Transaction date and time' (02.08.2020 12:00), a dropdown for 'Select the payment way' (Bank transfer selected), a 'Total amount' field (0 USD), and a 'Comments' text area. New methods and parameters were added to activities and orders.

For activities we added *GET /suggestEventCompetitor* and *GET /suggestEvents* methods. In addition, there are new parameters, such as '*promoCode*', '*tournamentCode*', '*competitorCode*'.

For orders we renamed parameters '*orderId*' and '*objectId*' to '*orderIds*' and '*objectIds*', to provide the possibility to download an array of orders.
