# **1. New Capabilities of New Version of the Website**

We added the ability to sell extra services, conference halls and catering on the website to extend the products that you can propose to your clients.

The screenshot displays the GP Travel Enterprise website interface. The top navigation bar includes links for HOTELS, TRANSFERS, ACTIVITIES, FLIGHTS, PACKAGES, and a highlighted 'EXTRA SERVICES' section, which also includes 'CONFERENCE HALL' and 'CATERING'. Below the navigation bar, a search bar is visible with a 'Destination' dropdown, a date selector set to '24 Feb 2021 (We)', and a 'SEARCH' button. An orange arrow points from the 'EXTRA SERVICES' menu item to a detailed view of the 'Bunch of flowers' service. This view shows the service details, including a description, a price range from \$1.70 to \$3.16 (with a 46.00% discount), and a 'Change' button. Other services like 'Parking' and 'Conference Hall' are also listed. A map of Berlin is visible on the right side of the detailed view.

A seat selection overlay is visible, titled "Select Seat You Prefer", showing a grid of seats for the LHR - AMS, Boeing 737-800 pax.
